All kids (even the adult ones) catered to this Children's day

Whether your child is the ultimate Frozen Super fan, a future triathlete or a master of talking like a pirate there is an event for them this Children's day.

The 1st of March is Children's Day and there are celebrations across the country.

Whether it's trying your hand at Badminton in Gisborne, making bird feeders in Te Anau or doing your best Boogie Nights impression on roller skates in Upper Hutt, there are plenty of events to get involved with.

Even if you can't make an organised event; Children's Day is the ideal opportunity to take some time out to focus on your favourite little people.

One of the most important things we can do for children is give them our time

Spending time doesn't cost a thing, but it does send a message about how much they are loved. It's also a chance for us to learn something new about our kids. Children are full of wisdom and can tell us lots about the things they need to be happy.
