Hi All

Children's Day is over for another year. I hope that your event went well, and that the day was a success!

As Children's Day coordinator this year, I have had a great time working on this project, and want to thank you for all the work you put into organising and hosting an event.

I would love to put photos of some of the events on Facebook to let people know what went on around the country and show how much fun everyone had.

If you have any photos that you would like to share, please send them to me and I will post them on Facebook!

Hopefully you had such a great time with your event this year that you'll be keen to do it again next year.

Until then continue to treasure our children every day.

Cheers

Lauren
