Colour-in Chatterbox

1. Colour in the chatterbox.
2. Cut out the square.
3. Fold and unfold the square, along all four lines of symmetry. The creases will form a 'star' to show you the center of the chatterbox.
4. Place the chatterbox on a flat surface, the blank side facing up. Fold each corner into the centre.
5. Turn the chatterbox over. Fold each corner into the centre.
6. Fold the chatterbox in half - so four square flaps are facing outwards.
7. Insert your thumbs and index fingers under the flaps. As you pinch your fingers together, the chatterbox will take shape.
